6. **To approve the minutes of the Parish Council meeting held on 5th September 2024**
Due to Cllr Quinn not attending the meeting on 5th September it was approved by Cllr Keith Evans and Cllr Lewin that it was a true account. The minutes from 5th September 2024 were duly signed by Cllr Quinn
7. **Matters arising from the minutes**
There were no matters arising.
8. **Planning Applications or Planning Information received**
P/PABA/2024/00269, Primrose Farm Bungalow, BH20 6AN - Erect new barn for machinery storage and workshop. Prior Approval - Building for Agricultural/Forestry Use.
No comments or objections.
9. **Update of Previous Applications or planning information**
None received.
10. **Dorset Council Report**
 - a) Dorset Cllr Wilson was asked if he can obtain an update on the SANG for the Farrer Estate. The plan is to locate it on the southern side and make it accessible to everyone, not just the residents of the Farrer Estate. The Parish Council has expressed concerns about the pedestrian crossing. There have been discussions about widening the Holmebridge junction to allow for a right-hand turn. However, the main issue at this junction is vehicles turning left. It was noted that there are frequent road traffic collisions (RTCs), with one occurring just last week. There was a question about whether there are any collision records available. Cllr Wilson

received an email from

a resident regarding the junction. The Parish Council has recommended that the 40mph zone is extended from the junction. **Action:** Cllr Wilson to contact the Traffic Collision Team and see if it is possible to obtain collision records.

- b) With the Sandbanks Ferry there has been an updated consortium objection together with an alternative fare proposal which has been circulated for comment. This group consists of all the councils that represent the Studland/Sandbanks area. The final consortium objection will be submitted by Friday 4th October. The public enquiry has been confirmed to commence from 10am on Tuesday 10th December at Studland Village Hall.
- c) Dorset, Somerset, and Wiltshire Councils will submit expressions of interest in devolution, in response to a request from government, seeking to unlock greater powers and resources for the area. At present, it is not planned for the "Heart of Wessex" to have a mayoral system as they believe it would not be right for the communities. The councils remain open to amending their expressions of interest as and when further details of the English Devolution Bill emerge.
- d) Under the revised Planning Framework proposals: housing targets are mandatory not advisory; must be able to demonstrate 5 year land supply; new methodology for calculating targets with a higher affordability ratio; greater emphasis on social rented houses; development in green belt to have 50% affordable. The new Dorset Plan will need to use revised targets, environmental constraints may mean it cannot be met but this will need to be robustly demonstrated. If councils can't meet their standard method housing targets, they must engage with neighbouring authorities to see if others can meet their needs. The Purbeck Local Plan, passed in July 2024, will remain in place until the Dorset Plan is passed (15 year plan projected to be adopted by May 2027)

11. Any Police issues to report or update on issues reported

None.

12. Hethfelton

None.

13. Farrer Estate Noticeboard.

The plan was to change the posts, but after some discussion, it was agreed to just shorten and paint the original posts. **Action:** The Clerk to speak to the Men's Shed.

14. Autumn Newsletter

This will be circulated and published at the end of October. It was agreed that there will be articles on Remembrance Sunday, update on the wind turbines, report from Cllr Wilson, the Home Guard, Hawkins Trust and Share and Care.

15. Highways Issues

a) Update on issues

The ditch on the southern side of the A352 by the speed camera has been dug out, but the northern side still needs to be lowered. The culvert under the railway is still blocked, and Network Rail has not yet carried out the work.

Action: Cllr Quinn to contact Network Rail.

b) Speed Indicator Device

The Speed Indicator Device has been moved.

c) Other issues

Large vehicles have been trying to go up Binnegar Lane and have caused some damage to the trees. Also, a bin lorry heading to the Waste Group also uses the lane most Friday mornings. **Action:** The Clerk to contact the Waste Group.

16. Consultations for consideration or New Items for Discussion/Consideration

Wool Neighbourhood Plan - Regulation 16 consultation. This can be read and responses given using this link:

<https://consultation.dorsetcouncil.gov.uk/spatial-planning/wool-np/>. The deadline is Friday 18th October.

It was encouraged that all Councillors read the plan. The area of East Stoke that maybe affected is Woolbridge and Tout Hill.

19. Items for information or next agenda

- a) There is a draft document regarding the Stokeford solar farm community benefit fund for the village hall. It has been shared with the Village Hall Committee, but it needs some amendments to be relevant to the Stokeford Site. This fund will require a committee to administer it similar to the ESWCC. There will be an initial capital outlay to kit out the hall, but thereafter the fund will be primarily earmarked for maintenance or improvements which will be part of the business plan.
- b) The question of a pavement between Wareham and Wool was brought up. Dorset Cllr

Wilson will raise it at the next PTAG meeting as there maybe some Government funding available.

- c) The road sweeper to be booked for early November. **Action:** Parish Clerk to contact Highways.
- d) Cllr Lewin requested to attend the planning training. **Action:** The Parish Clerk to book.

20. Date of the Next Parish Council Meeting

The next meeting will be on Thursday 7th November

With no further business to transact the Chairman closed the meeting at 19.41.
